Dear Connecticut Judiciary Committee,

Please consider the constitutionality of

SB 650 before supporting. The rights of CT citizens need to be protected, and no action taken until "proven guilty". I think this quote sums up my feelings:

Those who would give up essential Liberty, to purchase a little temporary Safety,  
deserve neither Liberty nor Safety.

Ben Franklin

Sincerelly,

Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same.
